Subject: Fast Track Report (25.721, 25.963, 25.994)

Reference: FAA Tasking to TAEIG, dated November 19, 1999.

Dear Tony,

Attached is a "Fast Track" report for 25.721, 25.963 and 25.994, which was prepared by the Loads and Dynamics Harmonization Working Group. This report contains unresolved minority opinions and after extensive discussion at the June 28, 2000, TAEIG meeting, it was concluded that there was little value in asking the Working Group to continue working the subject.

TAEIG voted (3 yes, 1 no, 4 abstain) to forward the report to the FAA for continued processing in the Fast Track system. It is requested that the report and associated regulatory/advisory material be returned to TAEIG at Phase 4.

Sincerely yours,

C. R. Bolt
Assistant Chair, TAEIG
